## Why choose AXA's Mini Fleet policy?

The flexible features of the policy include:

- Cover options for each of your vehicles of:
  - Comprehensive
  - Third Party, Fire and Theft
  - Third Party Only.
- Vehicle types:
  - Goods carrying vehicles up to 44 tonne gross vehicle weight
  - Business cars for social, domestic and pleasure and business use
  - The ability to extend to include agricultural vehicles, special type vehicles and trailers.

### Someone to help you when you need it

As accidents and incidents don't only happen between 9am and 5pm we provide a free 24 hour helpline to ensure there's someone to help you when you need it most.

### Spreading your cost

You can take up the option to pay your annual premium by monthly direct debit – helping you to manage your cash flow. There may be a charge associated with this. Please speak to your Insurance Advisor for details.

### Accident recovery

If your vehicle is immobilised following an accident we will pay to recover the vehicle to the nearest AXA Insurance approved Repairer. If the accident occurred in the UK, for qualifying vehicle types there are also additional benefits such as the cost of transporting your vehicle and passengers back to the home garage address or intended destination. You can also use this service following electrical or mechanical breakdown at your request (this is a referral service only and you will be responsible for the payment directly to the recovery operator).

### Uninsured loss recovery

This is an automatic extension in cover which we have arranged with a specialist company. The cover will pay your legal fees should you need to take legal action to recover costs and damages not covered under the policy.

### Continental cover

The level of policy cover you select will be automatically provided whilst any vehicle covered under the policy is being used in any EU Member country, Iceland, Norway, Switzerland, Monaco, Lichtenstein and San Marino.
